

We confirm that Bailsec participated in the security audit of the 1inch CrossChainResolver smart contract, specifically covering the following commit:

CrossChainResolver.sol

@ <https://github.com/1inch/cross-chain-resolver/blob/7dc13e9299b64a529defd4c8cf3acc17c572debf/contracts/CrossChainResolver.sol>

Based on our experience, we would recommend Bailsec's audit services to other teams looking for thorough and high - quality security.
